

Hercules Technology Growth Capital, Inc. Announces Public Offering of Common Stock

Palo Alto, Calif. – November 09, 2010 – Hercules Technology Growth Capital, Inc. (NASDAQ:HTGC) (“The Company”), the leading specialty finance company devoted to addressing the capital needs of venture capital and private equity-backed companies in the technology, clean technology, and life science industries at all stages of development announced that it plans to make a public offering of 5,750,000 shares of its common stock. Hercules plans to also grant the underwriters an option to purchase up to an additional 862,500 shares of common stock to cover over-allotments, if any. The offering price of the shares, subject to approval of the Company’s Board of Directors, will be determined by market conditions at the time of pricing in consultation with the underwriters of the offering.

The Company expects to use the net proceeds from the sale of the shares in the offering to fund additional growth through possible portfolio acquisitions, fund investments in debt and equity securities, fund the remaining \$12.5 million of committed capital under its second SBA license, and for other general corporate purposes.

RBC Capital Markets, LLC, JMP Securities LLC and Stifel Nicolaus Weisel are the joint book-running managers of this offering and BB&T Capital Markets, a division of Scott & Stringfellow, LLC, Janney Montgomery Scott LLC, and Macquarie Capital (USA) Inc. are co-managers.
